

DataCite Eesti senised arengud ja tulevik

**Seminar „Avatud teaduse poliitika arengutest
Eestis“ 27.10.2015**

**Liisi Lembinen
Tartu Ülikooli raamatukogu**

DataCite and DataCite Estonia

- DataCite www.datacite.org
 - Help researchers + their data
 - Data centers + DOIs
- April 2014 UT member of DataCite
- 2014 funded by Estonian Research Council
- DataCite Estonia <http://datacite.ut.ee/>
 - Estonian DataCite Consortium
 - Estonian researchers + their data
 - <http://datadoi.ut.ee>

Tere tulemast
DataCite Eesti lehele!

DataCite Estonia Consorsium 2015

- 4 universities
- UT offers DOI services for partners + training for libraries/contact persons/researchers + information literacy courses
- 487 686 DOIs

DataCite Eesti

Teadusandmed maailmale nähtavaks!

University of Tartu DataDOI

- <http://datadoi.ut.ee> – data repository for UT researchers
- Individual researchers + groups
- Time and cost of organizing data – case study

DataCite Eesti

Teadusandmed maailmale nähtavaks!

Where do we go from here?

- Library is developing further services – RDM, OJS, OMP, archiving etc.
- What will be the policy of universities and government?
- How much does it cost?
- Who will finance it?
- Will it be worth it?

DataCite Eesti

Teadusandmed maailmale nähtavaks!

Tänan! Thank you!
