Gentlemen,

I have to apologize for not having yesterday replied to your favor of the 18th inst. . . which arose from my having been occupied all day away from the City. I thank you for your information respecting the Glen & Albion's consumption of Coals. I received the letter to which you allude from Mr. Brandon, and in reply have to inform you, that I have not purchased the Steam vessel to which it refers.

I remain

Gentlemen

Your most Obedient Servant
