In the morning I went to the
 office to see what had been done
 (= finished) during the day.
 I found that the work was
 not so far advanced as I had
 expected. I had to go to the
 bank to see about the money
 which was due to me. I had
 to wait for some time before
 I could see the manager. I
 found that the money was
 not yet ready. I had to
 wait until the next day.

The first thing I saw when I
 stepped out of the door was
 a bright sun shining on the
 water. The air was fresh and
 the water was clear. I felt
 a sense of peace and
 freedom. The birds were
 singing and the flowers were
 blooming. It was a beautiful
 scene. I had never seen
 anything like this before. I
 was in a new world. I was
 free. I was happy. I was
 home.

When I was young, I was
 always full of energy and
 curiosity. I loved to explore
 and discover new things. I
 was always asking questions
 and trying to find answers.

I have been thinking of you
 and wondering how you are getting on.
 I hope you are well and happy.
 I have not much news to write at present.
 I am still in the same place.
 I have been thinking of you very much.
 I hope you are well and happy.
 I have not much news to write at present.
 I am still in the same place.

I received your kind letter of the 10th and was glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present. I am still in the same place and doing the same work. I have not seen any of the old friends here. I have not much news to write at present.
