My dear Sir

It would give me
great pleasure to make
the acquaintance of your
distinguished Countryman
Mr Stowe - I have had the
pleasure already of meeting
with his son at Ipswich.

Would it be convenient
for him to call here on
Thursday at Two o'clock?
I hope by that time I shall
be recovered from an

¹⁴
attack of Influenza which
now keeps me a prisoner
= 1000000 -

Believe me
Yours truly
