

Andover, Oct. 30th 1848.

Dear Sir,

The enclosed is, to my positive knowledge, a manuscript of Pres.^e Edwards, in his own chirography. I take it from a collection of his papers, all of which are as he left them. I am sorry that I can find none with his name attached.

In return for this Autograph, will you have the goodness to send me one from some distinguished Russian, from some celebrated Author or Nobleman. Would it be possible to procure an autograph of the Emperor of Russia? or one of

Alexander or any of the Imperial
Family?

Very respectfully
your obedient servant
Edwards A. Park.

P.S. My address is,
Rev. Edwards A. Park,
Professor of Christian Theology,
in the Theological Seminary,
Andover, Massachusetts,
United States of America.
