Zoological Society of
London

Beuta Street
29th July, 1854.

fr.

I have the honor of forwarding
to you the second part of the trans-
actions of this society, together with
its proceedings for 1853: these you
will oblige me by presenting in the
name of the Zoological Society to
the Imperial Academy of Sciences
of St. Petersburg.

In the latter part of last

The Secretary of the
Imperial Academy of Sciences &c.

you had the pleasure of transmitting
 to you, for the library of that distin-
 guished body, the First Part of the
 Transactions and the First and Second
 parts of the proceedings of our Com-
 mittee of Science and Correspondence
 (complete). I trust that these works
 reached you in safety.

Remain,
 Sir,

Your most obed^t. Servant

Edw. J. Bennett
 Secy.
