

Dear Layley -

I have just received a letter summoning me to England without loss of time. -

I think you are an idle man after 2 o'clock on Saturday? -

If so, & if no chance interferes, wd. you do me the great service to come with me to buy a travelling Equipage tomorrow? -

Shall I call for you - & at what time? - don't disturb yourself at dinner, but send a verbal answer.

Yr. very faithfully

Harley Lanning.
