### WORK EXPERIENCE

---

- June – Sept. 2007. I was a builder of a grocery shop (Tasku).
- June – Sept. 2006. I was a builder of a large hospital (Marjamõisa).
- June – Sept. 2005. Earned additionally as a builder.

### OTHER SKILLS

---

- Computing. I know MS Word, PowerPoint, Excel. Can write web pages in PHP, Perl, HTML, JavaScript. Have been learning Java language for 2 years. Can compose different databases (MySQL, Oracle). I took courses in logical and functional programming languages (Prolog, Haskell) and many other things.
- Languages. My native languages are Russian and Estonian. It is difficult for me to speak or write in German language, but I can understand a lot. Unfortunately, I do not have any English or

German language certificate. But I have been learning English since I was 10, so there are no problems with understanding and speaking.

- Sport. I was engaged in karate for 11 years. So I can confirm that my life is closely connected with sports. I was on competitions in various Europe countries.
