

2079.

1

Portland (Me), July 2/48

Mr Wm Davis Jr.
Sir

An application for my auto-
graph coming in such a shape, it would be
childish to refuse. I send with it a letter from
John Pierpont, and another from George Morris,
(everywhere known as a beautiful song writer, though not
otherwise greatly distinguished).

Very respect
Dear Sir,
Yours,
John Neal
