

Dear Sir,

I have just returned to London,

I was disappointed in not meeting  
you abroad. — I have proposed them  
to receive you at home. where a sculler  
must go to be put... 2 days there.  
I seem to open the vast courts of  
your art like magic.

I have just seen the Impressions  
of the Bash. it is atrocious. — They  
have made me sucking my tongue!  
Ic? have forgiven all but that!  
Let See la att! I shall see you soon  
I hope. Y. S. M. B. L. C. S.
