Non simulabis me neglecti officii, quod ad literas tuas, superiori anno ad me datas
 nihil hucusq' responderim. Iuvener enim nihil magnopere esset, quod scriberem; opem-
 dendum tamen erat me adhuc colere virtute singulari, animi tui dotes: te pari quoz' quoz'
 tuit, quid voluptati ac gaudii ceperim, cum in gratia magnorum Virorum te versari, et
 tuas prospero fortune tramite decurrere, acciperem. Enimvero obstitit morbo gravissimus,
 quo & integrum spatium semetipale detentus fui, ita ut officii mei partes non explere
 imo ne quidem pedem extra domum ponere potuerim. Nospi quid malum illud, praeipui
 si diuturnum fuerit, afferat, quod praeter alia, quae secum vehit, incommoda, non expremo-
 is, sed ipsum quoz' animum affluit, et ad sua obcunda munia, incipit quoddammodo, minus
 certe alacrum reddit. Nunc, ubi prosperante Deo, ex ipso pelago caput attollere incipi-
 neglectum hactenus scribendi officium reasumo, Tibi de honoribz Magisterialibz, rite,
 ut audio, iam obtentis animetur gratula, Deum serio precorq', ut honorem hunc fortunare
 eumq' in Reip. salutem, propriumq' decz' vergere jubeat, addo: in ipsis honoris incrementum.
 Quod enim de Epaminonda scriptum est, Teiarchiam atq' magnam dignitatem atq' maiestatem e-
 vixisse; idem Tibi faciendum nunc, neminem fuisse, quam tu ipse ad omne virtutum
 pulcherrimum in amentum. Coeterum pro benevola voluntate tua nuper significata de-
 fideris meis gratificandi, debita exsolvo grato, ac quandoquidem eandem tam prodixi inter
 pretatus es, ut beneficium te accipere agnoscer, quoties bene de me merendi occasio suppetit
 accipe, qua ratione, Lipsiae rebus meis velitari possis. Dedi hac ipsa postea, ad Typographum Sche-
 de literas, iidemq' catalogum variorum Dissp. quas ipse huc mittenda, juraabit, inserui. Tu,
 Amicorum integerrime, postula ut Catalogz exhibeatur Tibi, et non alia, quam quas consigna-
 vi, Dissertationes transmittantur, provide: ungelz; vero etiam meo nomine, ut S. alphabetu
 Dissp. in illis, quae transmissit huc Schedig, adhuc desiderata, ab illo suppleantur. No 93. alpha
 beti solutio ipsi facta est, sed 98. tantum Fasciulo fuerunt inclusa. Tenetur ergo illa adhuc
 addere, vel alio mihi satisfacere modo. Simulae gl'ificavit Se Sede Dissertationes jam a me de-
 sideratas, Venetiae expresso statim, ~~quod~~ alphabetarum numerum, ac pretium per illos sol-
 vendum. Ratione solutionis certiorum facere poteris, quoniam illa statim hic sit futura, ubi Dissp.
 huc fuerint allatae. Quorum numerum sicubi aliquot Scriptis adaugere potueris, mihi rem
 facies gratissimam. Vale Amicorum Optime ac fove perge. Feb. e. m. d. 22. April. 1717.
